THE GOVERNOR'S AWARD OF EXCELLENCE

This award honors employers and their employees who together have achieved the required number of hours worked without experiencing a lost workday or restricted duty case at their establishments. Lost workday and restricted duty cases are listed in columns H and I of the OSHA form 300.

To qualify for the Governor's Award of Excellence an establishment must compile the following number of man-hours without a lost workday or restricted duty incident:

NUMBER OF EMPLOYEES MAN HOURS		
1-25	employees	50,000
26-50	employees	100,000
51-100	employees	200,000
101-150	employees	300,000
151-250	employees	500,000
250-400	employees	800,000
>400	employees	1 million

THE COMMISSIONER'S AWARD OF EXCELLENCE

This award honors employers and their employees who together have achieved the required number of hours worked without experiencing a lost workday case and have maintained total injury and illness incidence rates below the national average. Lost workday cases are listed in column H of the OSHA form 300.

To qualify for the Commissioner's Award an establishment must compile the number of man-hours listed in the table on the left without a lost workday incident. In addition the site's average total injury and incident rate (for the most recent three years) must be 10 percent or more below the most current national average injury and illness incident rate for the industry-specific Standard Industrial Classification (SIC) as published by Bureau of Labor Statistics (BLS).
